

FY20 IMPACT REPORT

Thank you for changing my life for the better.

*I have been in my apartment for 4 months now, living stress free.
Thank you RESPOND...
Thank you for encouraging me that I too can move on and live and have a happy life.*

Here are just a few of the things we're incredibly proud of this year!

We provided 4,622 nights of safety to survivors of domestic violence through our Residential Services program.

We held our first-ever virtual fundraising event!

RESPONDing to Domestic Violence Virtual Auction

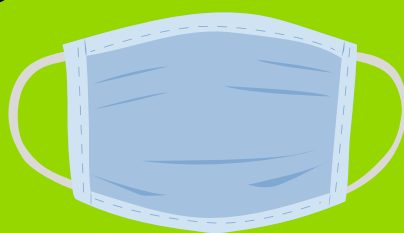

We added the Wilmington Police Department to our Law Enforcement Partnership Program!

For the first time, we hired and trained a new staff member completely remotely! We were able to hire a new Emergency Shelter Coordinator during the COVID-19 crisis using virtual tools we already had in place.

We continued to provide services uninterrupted throughout the COVID-19 pandemic, including to a record-number of post-release clients in our SAFER program.

SAFER is a necessary program and changed my client's life for the better.

If it was not for the SAFER program - and Ms. Wolter in particular - the client may still be in jail or back living on the streets.

- Brendan D. Gupta,
Attorney at Law

WE COULDN'T DO ANY OF THIS WITHOUT THE GENEROSITY OF OUR SUPPORTERS, THANK YOU!
